

Would you like to belong to a hunting club that is a member of the Game and Forest Foundation and is proactive throughout New Zealand?

Here are some of the benefits of joining Hunters & Habitats:

- Public Liability, fire suppression and third party injury insurance
- H&H is a Game and Forest Foundation member
- Deer jaw data collection programme

Simply fill in the form below and then use the print button provided at the bottom of the form. Mail the printed form and membership fee to the address at the bottom of the form.

Membership \$92.00

- I agree that the above information may be used for club purposes and be passed onto third parties where necessary.
- I also agree to abide by the rules and constitution of the Hunters & Habitats Club.
(These rules may be subject to change from time to time.)
- I also agree to supply data for the Sika Deer Data Programme.
- I understand that membership entitles me to insurance cover for the following:
- \$500,000 Fire Suppression
- \$2,000,000 Public Liability
- \$1,000,000 Third party bodily injury

I also understand membership entitles me to one free entry in the annual Sika Hunting Competition.
